

Summary of Changes to Measurement & Payment and Bid Items

March 8, 2007

M&P and bid item changes:

Please download the new version of the projectbid.doc at

<http://www.udot.utah.gov/index.php/m=c/tid=1112>

The ProjectBid.doc file has been updated to include icons on the M&P toolbar for all the macros. The first icon on the tool bar removes the red highlighted cells. The down arrow icon rennumbers the tables when tables are inserted after the M&P program has run. The trash can icon removes the sample table at the top of the project M&P document. The eye icon removes the first table in the document and rennumbers the remaining tables.

Title Change

Section 01571 from "Temporary Environmental Control" to "Environmental Control"

020560055 Underdraining Granular Backfill

020560060 Underdraining Granular Backfill (Plan Quantity)
